Captain D. E. Wilkinson

Dear Captain Wilkinson:

Thank you for your recent letter requesting information concerning investigations of Unidentified Flying Objects.

The UFO Report of the House Committee on Science and Astronautics is currently being reprinted. I have requested a copy and will send it on to you as soon as it is received in my office.

As you know, the Air Force keeps records of UFO sightings and has investigated numerous UFO reports. The House Committee on Science and Astronautics also held the symposium on UFO's which is the subject of the Report you requested. I have not yet had an opportunity to study the Committee's report and look forward to seeing what conclusions the Committee reached as to possible expansion of Federal investigations of UFO activity.

Your thoughtfulness in calling this matter to my attention is most appreciated, and I hope you will continue to feel free to call on me at any time with regard to this or any other matter.

With kindest regards and best wishes, I am

Sincerely,

Wright Patman *W*

The Honorable Wright Patman
House of Representatives
Washington 25, D.C.

Sir:

First I would like to establish that I am writing to you as a member of your district (Hopkins County, Texas) and write out of personal concern rather than in an official capacity.

I would like to request a copy of the report written on a one-day symposium on Unidentified Flying Objects (held July 29, 1968, by the House Committee on Science and Astronautics).

I would also like to ask for any opinion(s) you may have on Unidentified Flying Objects.....especially whether you believe further (Government Subsidized) investigation is warranted.

Sincerely,

Donald E Wilkinson
