### **Aides Files: Douglass Cater**

**For series descriptions, see page 2.**

**For box summary, see page 4.**

**For list of folder titles, see page 7.**

#### **Scope and content note:**

This collection consists of Douglass Cater's aides files as an adviser to President Lyndon B. Johnson on domestic policy, especially education and health matters. The files include memoranda, correspondence, press releases, news conferences, newsletters, clippings, magazines, White House guest lists, statistical data, telegrams, charts, computer printouts, maps, speeches, message, book drafts, executive orders, bills and hearings, photographs, and printed material.

- Date range: 1964-1969
- 42 linear feet
- Available for research (Open)
- 

#### **Processing note:**

In February, 1975, a box of materials from the files of Jean Robinson and Kathy Andrews, secretaries in the office of Douglass Cater and Ervin Duggan, was located. It was decided to put this material at the end of the Files of Douglass Cater. Of particular interest to researchers are the daily appointment calendars and a notebook listing incoming and outgoing telephone calls for August, 1968-January 1969.

#### **Series:**

- Personal Files, 1964 – 1969 (7 linear feet, 10 linear inches)
- Research Files, 1964 – 1969 (2 linear feet, 3 linear inches)
- Office Files, 1964 – 1969 (31 linear feet, 6 linear inches)
- Jean Robinson and Kathy Andrews' Files, 1968 – 1969 (31 linear feet, 6 linear inches)

areas program, research, books for international and domestic use, programs for the handicapped, learning disabled and the mentally ill, and programs such as Reading is Fundamental, Teacher Corps, Volunteers to America (exchange Peace Corps), Veterans in Public Service. In health, the files include material on nursing homes, medicaid and medicare, health manpower and medical schools, White House Conference on Health, occupational health, research, Social Security bills, and hospital modernization. Cater was also involved in the task forces on education (1965-67), nursing homes, educational television in less-developed countries, international education, child development, population control, Urban Educational Opportunities, Networks for Knowledge, Health, Nursing Homes, and Health, Education, and Welfare Manpower Requirements and Training Programs.

In addition to his major work on education and health programs, Cater's files contain information on highway beautification, the Great Society, poverty, White House Fellows, population control, cultural affairs, creative federalism, federal aid to the states, compliance with the civil rights provisions of the Hill-Burton Act and Title VI of the Civil Rights Act of 1964, library developments and the 1964 Presidential campaign. The files also contain some personal material of Cater's including a small portion of his daily diary (August-December, 1965), telephone lists, personal invitations, and his daily calendar. In conducting his work on domestic affairs, Cater worked closely with Health, Education, and Welfare (HEW), the Office of Education, Harold Howe II, Francis Keppel, BOB, AID, State Department, the Bureau of Education and Cultural Affairs (CU), and the Office of Science and Technology.
