 have a field of operation
 in which ~~you can exercise~~ ^{particular} your
 talents to the utmost,
 and learn lots, and
 have lots of other people
 learn about you. I'm
 very eager for the deal
 to go thru and want
 to know the minute
 things are decided!

As for me, ~~if~~ if
 you are to be in Wash-
 ington until about

Darling -

When I talked
 to you Sunday I was
 so thrilled to hear
 about the job you may
 have during the cam-
 paign! I'd love to
 know every detail of it.
 That sounds like what
 I've been hoping all
 along would happen
 to you and what you
 can do better than

November 8 or 10, I
~~we~~ want to come
back and spend Oct-
ober there. Of course I
understand you will be
working with all the
intensity and long hours
that you were in your
own campaign and I
would ^{sparingly} see you.

However - Washington is
~~the~~ more like "home" to
me than anywhere, I
have more friends there,

- and after two months
I am a little homesome
to return. Also I want
to look for a place
to live next year - and
other reasons.
I've been follow-
ing the President's activities
this week - to Jasper
Monday, Tuesday, and
Wednesday, and to
Pennsylvania today -
as I'm sure you haven't
been able to see him
and that you won't be
able to come to Texas

of them had to be
ordered but it should
arrive soon and I'll
mail them all then.

She certainly read om-
nivorously this summer
— and enjoyed it fully.

Dear, I wish you
would call me Sat-
urday night or Sunday
morning and tell me
if you see any more
news about whether

this week-end.

Sunday or Monday
I am going to Austin
to see what dispo-
sition I want to make
of that apartment —
to clean it up thoroughly
and have it ready ^{either to} ~~for~~
rent or to live in.

When I was in
Dallas I went in a
book store and
loaded up on books —
bought three also for

you're taking the job.
And please write me

whether my return
around October first

— would it interfere
with your ~~plans~~?

I love you —

Bob
