Darling:

I've sent you some linen to Karnack -
I hope it reaches you O.K. and you
like it - Charles was buying Alice
some the other day and I decided
you would probably enjoy this -

The cuff links are very pretty
and useful - I wear them every
day and nearly everyone comments
upon them -

I've spent my last two mornings
at the hospital getting examined. The
Dr says 4 teeth must be fixed - Tonsils
must be cut out and more X Ray

treatment for my hands. I haven't

a good idea to let this one up here
go or soon as you can and
arrange to keep the Austin one -

I feel terribly bad today and
wouldn't have written except I've
been kinda lousy - Sorry I
missed talking to you dear in
Santa Fe - George said you had
been gone only about 10 min.

I love you dearly and long
to see you - Please write -
Love to your Daddy and Ruth
