Dear Bird:

Here is a wire from Otis McCarty which is very important. If you have not taken care of this, you should get in touch with Mrs. Connelly and tell her this is most important to us. Ask her if she will get in touch with Mr. Burlew (who doesn't like me) and get this done.

If necessary, go to see Burlew yourself. Keep Otis and Doc Turner fully informed.

I am very pleased with your letters of the 8th, 9th, and the eleventh, all of which I will attempt to formally answer in this note. Have written your dad a card. Am writing Ruth a note today.

Glad you like the financial arrangement--thanks for the news of the Corcoran visit. I will write Sherman. I think your letters to Mr. Curry, Tom Nelson, and Jim Nash all excellent. Your judgement correct re replying to Whitehead. Sorry to hear about O. J. Delighted you had so much fun at the Little Congress party.

Will be in Seattle Sunday and Monday--back here Tuesday, then to Los Angeles for the rest of the week. Feeling better and doing better but still anxious to hear from you every moment.

Love,

*Lyndon*

P.S. Please write me air mail all about Gene Worley-- where he is stationed, when he left, how he can be reached, etc.

*get on the gene scratchin  
matter and wire him at once.  
This is most important. O.J.  
should contact the Army and  
follow this and get definite  
and sure information  
and you should wire -*
