

March 19, 1942

Dear Lady Bird:

Since the enclosed ticket is signed by you, and is non-transferable, I can't use it.

I suggest that you cash it immediately however, because of the expiration date. For that reason, this is being sent air mail.

Love,

A handwritten signature in dark ink, appearing to read "Lyndon". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Lyndon
