

Thursday night -

Dear Bud, my great thanks and

all my love to you and Aunt Effie. I'm
Very anxious to know how the Alabama
deal came out and also what happens
to the Texas political situation between
Now and the filing date on June 1 -
Just as soon as you get this write
me a long letter on very thin paper
and also get John to put in one
on the office Memorandum as well
as his analysis of the Texas picture.
You might put both of your letters
in one small envelope and give take
them to Jim F. Yourself and ask him
to write me an official note and
send these enclosures and see that
his letter gets out Air Mail -

I'm happy well and lonely for
you - See you in July ~~here~~
over L. M. F.

John should keep in touch
with the 'Mail & Dispatch'
Section of Intelligence' personally
and if you pay for it
I think they will send
me a dispatch from you
on important business -
Please do -
