

THE WHITE HOUSE
WASHINGTON

Darling -

I'm very tired
- I've gone to bed. I'd
love for you to come
join me when you're
ready to sleep - & you'll
sleep just as well.

Meanwhile - thank
you for calling the
telephone operator &
thank them for their
sweet service - and

THE WHITE HOUSE
WASHINGTON

for calling Jack Connor
to congratulate him
on a job well done
on "Meet The Press"
and for spending
many minutes with
Mrs. Grier - who, I
believe, must have
valued it.

I love you -

Jack
