

THE WHITE HOUSE
WASHINGTON

My Beloved -

Happy Valentine!

I wish I could "play
you a tape" of all the
wonderful things I've
heard said - last night
and every day - about
what you are doing.
I want to counter balance
whatever you read
that is divisive or ugly.

THE WHITE HOUSE
WASHINGTON

Know that you are
loved - used appreciated.
Come back to me
tonight and we'll have
a quiet week-end.

your loving
wife

P.S. I'm reading the
wonderful book "From the
Silent Earth" ^{that Joe Alsop wrote} about the
Greek bronze age -
shift your problems to
1000 B.C. & relax!
