

To Fritz -

This morning 7300 days ago you presented me  
a screaming ugly little girl who has  
grown prettier and lovelier each day.

Nothing in this world has given me more  
pride or pleasure than Lynda except you.  
Thanks - Bob & Mary -

Mr. President -----

Would you like to write a note to  
accompany flowers to Mrs. Johnson

in memory of 20 years ago today  
(Lynda's birth)
