

Notes from  
Mrs. Johnson  
when President  
was making  
his decision to  
retire from  
office

there are  
4 5 compelling  
things on the  
agenda  
the war and the  
the cities and the world  
and the nation  
and the nation  
6  
convention  
election  
of these  
5 2 can give you the last

3  
2 do not believe we can do all  
6 of a 5  
other things as well as the people  
are entitled to have  
more done therefore we are going  
to pick up  
priorities

Mrs. Johnson
