LA SEINE AU PONT ALEXANDRE-III

Dearest

We are having

such a good time.

Paris at night is
beautiful - what has
been done with lights
in the decade or so
since I've been here
is a worthy achieve-
ment. Our hotel is
tiny quaint, and just
right for us. - I gave
Lynda your gift - Her
... et dans les bras fardés, Paris reine du
monde. *Mon dieu!* VERLAINE
Love always I. L. B.
