RECORDS OF THE DEMOCRATIC NATIONAL COMMITTEE

For list of folder titles, see page 2

Creator: Democratic National Committee (U.S.)

Organizational sketch:

The Democratic National Committee (DNC) was founded in 1848 as the formal governing body for the United States Democratic Party. The committee provides support for Democratic candidates throughout the country for local, state, and national office; it coordinates party strategy; and it organizes the Democratic National Convention held every four years to nominate and confirm a candidate for president, and to formulate the party platform.

Scope and content note:

This collection contains clippings, correspondence, transcripts, minutes of meetings, publications, press releases, speeches, reports, memorabilia, and photographs of the Democratic National Committee (DNC). The papers include the files of the DNC's leadership and internal committees and include materials on the 1964 Presidential campaign and campaign initiatives; campaign trips; analysis of the political situation in each state; communication between state and local offices and the national office (located in Washington, DC); volunteers; fundraising; creation of campaign slogans, materials, and strategy; formulation of the Democratic Party platform; and the 1964 National Convention in Atlantic City.

- Date range of collection: 1960-1968
- 257 linear feet, 3 linear inches
- Available for research.
