#### CARD INDEX OF CORRESPONDENCE, 1948-51

The index consists of 3"x5" card files covering the period, January 1949 through September 1951. A few cards show entries for December 1948. Each of the cards gives the name and address of the correspondent, his country, the date of his incoming letter, and the file classification of the correspondence. Information on additional correspondence with the individual may be added to the same card or may be recorded on a separate card. Two or more cards for the same correspondent may be clipped together. The card index is not complete. In some cases cards were not prepared; in other cases the cards were probably lost. Index cards found with correspondence have been refiled in their proper places. Some cards removed from this file were incorporated with the index of correspondence for 1951-53.

The cards are arranged alphabetically by the surname of the correspondent. Cards for several correspondents with the same surname are arranged alphabetically by initial, followed by those arranged alphabetically by given name as in this example: Abernathy, D.A.; Abernathy, L.V.; Abernathy, Elton; and Abernathy, Mrs. Leon M.
