Yolanda,

Rufe Youngblood says if
you come over, he or one
of his folks will give you info
from their records for fill in.

Then, before typing, you'll want
to study whatever little notes,
etc. are attached.

AND, study the language on the
typed sheets (Reedy briefs from
'62 diary). We prefer NOT to
use the language of the Sec. Ser.

If you have any questions ---CALL

Juanita:

Attached are Daily Diaries you sent
together with info and correspondence
attached to each day's diary that you
had clipped.

Send me another batch and I'll go to
work filling in and typing whenever
I can do so.

The Dominican Republic diaries are
completed thanks to State Dept and their
info memo which I have sent to Dorothy
Territo for her "files."

If you notice any ERRORS, please
return and I'll correct or any other
suggestions you may have. However,
I have checked and rechecked against
all the poop you sent and they are as far
as I can tell, all correct.....
