JF Hello, Mrs. Roberts.

JR Yes...yes, sir. I'm sorry to have delayed you.

JF Yes. I just wanted to express personally to the President my concern ~~about~~ about the disappearance of the three people in Mississippi... familiar with the case...

JR Yes.

JF Two of them were our staff members, and I'm on the way down to Mississippi now...to look at the situation personally. And I'd hoped to be able to chat with the President about it.

JR Yes. He's left a meeting here to go over to Constitution Hall to address a group. How long would you be available.

JF Well, I'll be here at my office until about 2:00.

JR And that number is...

JF ~~62~~ CO7-6270.

JR He's got an awful tight schedule moving from spot, but I do want to try to get in touch with him and tell him of your call.

JF Well, I'll appreciate that... I'll be here until about 2:30.

JR Thank you very much.

JF
