B. I talked to him a little bit before you did and I told him we might want to announce it at any time. He said anytime was all right with him. But if you want to let him ----

A. Arthur wants to do it as soon as we can.

B. You just leave a call in for him and tell him all right.

A. Do you have anything in mind about what to say about Arthur's leaving.

B. I would just say he has stayed on longer than he intended to, and I would do that background, and not put that on the record. He would be making f/s/ his own statement, but just that he resigned for personal reasons and has his own personal plans for the future.

A. Do we say when he is leaving?

B. Around the first of June, yes.

A. Thank you.
