A Sacy Cohen is here, and he and John Macy have gone into your record thoroughly, and he needs a strong right arm as Under Secretary of HEW. He's the best the government every produced, and I promoted him right up the line and he's done all of the work since he's been over there. I told him that you might talk to your Board of Regents and come up here until the 20th and help him out. He wanted to discuss the matter with you. Here's Wilbur.

C How are you, sir....
 (amenities)

C It's good to talk to you, the President wants to send your nomination up today and I think that's great. I would like to arrange some time for you to come up and talk to me at your convenience. Let's figure out -- at your convenience -- when you could come, and let me know.

B All right. I'll call you back sometime this afternoon.

C I'm looking forward to working with you. We've got a lot of interesting things to do and together I think we can do a lot. I look forward to seeing you.
