					Albuquerque, New Mexico continued	
	8:30				The President and Mrs. Johnson left their room and were confronted by throngs in the lobby and out in front of the Hotel. They shook hands and waved at all the crowds and then walked out into the street to smile and wave at the crowds lined up outside of the barricades. The President and Mrs. Johnson walked down the street for 2 1/2 blocks shaking hands w/ all the people. They then boarded the Queen Mary and rode the entire distance to the school. Johnson Gymnasium was the site of the rally. The motorcade route had an estimated crowd of 60,000 people. Upon arrival the President freshened up in a room that had been set up for him and then walked approx. 1 block to the site of the Gymnasium.	
	9:05
