					Reedy's 3:30pm press briefing today, gave this account of the mtg w/ Labor Leaders "T here was a general discussion of the problems of our country. The labor leaders offered their viewpoints. The President listened carefully. They covered a wide variety of problems with some projections. Not only was this year discussed, but there was a general discussion of the problems of manpower, of the labor force, of the impact of the growing population upon the economy. There were specific discussions of such points as Medicare, l4B, unemployment, excise taxes, the poverty program, Appalachia, ARA, automation."
