DAILY DIARY

Date October 14, 1965

The President began his day at (Place)

White House - NNMC - Bethesda

Day THURSDAY

Entry No.	Time		Telephone f or t		Activity (include visited by)	Expenditure Code
	In	Out	Lo	LD		
	6:25				Dr. Cain , JV, VM	
	6:40				BM joined	
	6:50		t		MJDR - re receipt of telegram from Senator Goldwater - (Yes or No)	
	7:00	7:10			Mrs. Johnson came in -- she had been driving around w/ Ashton Gonella -- again "seeing the beautiful, beautiful world." She brought w/ her a set of pajamas and robe that matched -- black silk w/ red lining - and the initials LBJ on the pocket. The President commented that really were "fancy" and gave the robe to BM to try on. It looked very funny on him because it so long and everybody got quite a laugh from the robe on him.	
✓	7:42		t		J. C. Kellam - Austin, Texas (all left the room)...but the President called Mrs. Johnson back in later to talk on the call also. (/ and MW)	
	8:05				To the Living Room w/ JV, BM, and VM -- Mrs. Johnson and Luci joined about 5 minutes later. The President teased Luci about the birth of the hamsters and asked her if she knew how many would live in the White House in about 3 more years.. (Walter Kronkite had mentioned that in about 1968 - Inauguration Year -- that the President would have to hire someone to figure out the number that would be there.)(on television)	
	8:15	9:25			In the Dining Room for dinner w/ Mrs. Johnson, BM, JV, Luci, Pat Nugent, MW, and VM (Luci, Pat, and MW did not eat). The President had liver, squash, onions, lima beans and tapioca for dessert - as well as spanish melon, and a taste of the custard that was being served.	
	9:30				Re turned to the bedroom -- and read some get well messages that had come in (VM)
