C	11:50a				H. E. Dr. Guillermo Sevilla-Sacasa, Ambassador from Nicaragua - Dean of Diplomatic Corps and Amb. Lloyd Hand, Chief of Protocol -- the Dean told the President that he wished for him on behalf of himself, his wife and his children and the entire Diplomatic Corps the best health and good wishes for 1966. He told the President what a wonderful job he was doing and then talked him about the recent conference of Foreign Ministers of the OAS in Rio. He said the Conference went well and they were able to avoid any adverse resolution and then talk to him about the Dominican Republic. The President said: "I hope you can get some of your colleagues to put the word out that the communists have taken over the press in some of <del>countries</del> these countries because the American press apparently doesn't know it. the Dean said he understood and went on to <del>say</del> say that the U. S. has not intervened in the DR -- despite what as alleged at the Conference -- It was cooperation -- not intervention. (above fr Lloyd Hand)

					Re: 5:48pm entry - essence of discussions at NSC Mtg) The President restated his views with respect to the peace offensive on VietNam. The Vice Pres. and Amb. Goldberg reported on their trips with particular reference to the peace initiative on VietNam. Director Marks reported on the press reaction to the Pres.'s initiative and the Secy of State reported on the current diplomatic postures of governments responses to the initiative. Some discussion followed on next steps but for more serious discussion, the President returned to his office w/ the VPRES., Secy McNamara, UnderSecy Ball, Secy Rusk, McGeo. Bundy and Amb. Goldberg.
