REMARKS BY THE PRESIDENT						
Note: (fm Bob Fleming/yb)						
At these bill signings -- one						
of the guests was Mrs. Pat Gates.						
Her husband is Brig. Gen. Mahlon						
E. Gates, now in command at Cam						
Ranh Bay, South VNam. Because the						
Pres. had recently visited that base in						
VNam, Bob Fleming introduced Mrs.						
Gates to the President.						
In a brief conv., she told him that her						
husband had assured her the Pres.'s						
visit provided a major lift for the morale						
of the troops throughout VNam. His own						
men, Gen. Gates said, were thrilled						
to have the Pres. there but he also						
pleased thousands of men that he could						
not see. The President gave Mrs. Gates						
a pen and then handed her another,						
suggesting that she send it to her husband.
