					The President had a tape from Chuck which had been hard to hear so Recording put it on a new tape - but it was still pretty difficult to hear it	
					--as we sat down the President said" I invited all of you here, today and thought that I would make believe like I was President and have you at a meeting in the Cabinet Room"	
					--As the tape started he said" Remeber this is from Chuck to his wife - so please excuse anything you night hear"	
					--in the background of the tapes you could hear the firing of guns	
					=-the recording told about the recent ambushes that they had encountered and how many boys Chuck had lost and how they were so lucky because time and again when they should have been hit - something prevented them from being at a particular spot	
					very	
					--towards the end - it got very static and the President said to turn it off.	
	8:13p				President out of Cabinet room to Oval Office	
	8:23p				President to Press Gallery to read ticker tape machines	
	8:29p				President to Press Offices looking to see if anyone was there - no one was	
	8:34p				President to mjdr's office - telling pob to come with him while he had a Fresca --to Oval Office	
					--President signed some book plates and then asked pob if she had decided what to do next year - and talked about going to Texas on Friday.
