Re: Report of Medical Examination

Dear Colonel Hattox:

This is in response to your letter of April 21 in which you state that my personnel records indicate that my report of medical examination has not been received. I cannot understand why it has not been received since the medical examination was given me at Bolling Field some four or five weeks ago and it was indicated at that time that it would be forwarded promptly to the proper Air Force authorities.

At the time of the medical examination I stated I was to forward two copies of the report to the Air Reserve Records Center, but was informed that no copies of the report would be furnished me and that they would be sent direct to you. Perhaps by now you have received them. I hope so.

Sincerely,

Walter Jenkins
