<https://www.discoverlbj.org/exhibits/show/loh>

**For list of folder titles, see page 2.**

**Creator:**

Johnson, Lyndon B. (Lyndon Baines), 1908-1973

**Scope and content note:**

This collection consists of correspondence, publications, reports, and agenda used by President Johnson's Cabinet Committee on Balance of Payments. The files discuss ways to improve the trade performance of the United States and ways to reduce trade deficits. This series includes items on imports and exports, monetary and fiscal policy, shipping, the federal budget, trade loans, interest rates, price stability, and foreign aid.

- Date range of collection: 1965 - 1967
- 1 linear foot, 3 linear inches
- Available for research (Open)
