

Mrs. Johnson began her day at (Place) "Cragwood," Far Hills, New Jersey

Date Friday, 20 Sept 68

Entry No.	Time	Activity
		<i>Not dictated</i>
		Breakfast in room. (Talked with the President?)
10:05		Left Cragwood with Bess and Jane Engelhard.
10:30		Arrived at Doris Duke's Gardens, Somerville, New Jersey. Toured the gardens -- a series of greenhouses where fruits and vegetables are grown -- each with its own "personality" -- Japanese, Chinese, Korean, Italian -- etc. Statuary, topiaries -- clipped boxwood.
11:45		Left Duke Farms.
12:10		Arrived at the Princeton Airport -- boarded the Engelhards' plane.
12:42		Arrived in Wilmington.
1:13		Arrived at "Winterthur" -- Henry I. duPont Estate. Marny Clifford had arrived a few minutes earlier. Lunch on the terrace -- Mr. duPont said he had grown everything we ate: avocado, consomme, Squab, eggplant, meringue. Toured "Winterthur" (Had to check my pocketbook!) with Marny -- Bess and Jane were behind us, and Mr. duPont flitted between the 2 groups.
4:00		Left Winterthur -- to the airport, where Jane's plane took Marny, Bess, and me back to Washington.
5:27		Arrived at the White House -- Lynda came into my room and we visited. Did some work with Ashton.
