

35/

DEPARTMENT OF STATE
DEPUTY UNDERSECRETARY

George:

Here is a summary
of our record on Oswald.
You should read it
carefully.

We also have his
passport file and his
wife's visa file.

We have through S &
asked Washington & New
York police to give discrete
protection to Soviet mission
here and Soviet & Cuban
missions in New York.

We are standing by.
We are not putting out
anything to press.
