AIDES FILES: WHITNEY SHOEMAKER

Scope and content note:

This collection consists of files created by Whitney Shoemaker while he served as a White House administrative assistant under Lyndon B. Johnson. The files contain copies of correspondence that was drafted by Mr. Shoemaker. The letters are responses to mail sent in from the general public or were written for administrative purposes such as requests for security clearances or parking permits.

- Date range of collection: 1/1967-12/1967
- 9 linear inches
- Available for research (Open)
