PERSONAL PAPERS OF POLLY GREENBERG

For list of folder titles, see page 2

Creator: Greenberg, Polly, 1932-2013

Biographical sketch:

Polly Greenberg was a child development specialist who served with the Department of Education, Office of Economic Opportunity, and the Department of Health Education and Welfare. She helped found the Child Development Group of Mississippi which introduced the Head Start program in the state of Mississippi.

Scope and content note:

This collection consists of correspondence, reports, publications, newspaper clippings, and notes collected by Polly Greenberg related to her work as a child development specialist. The papers include materials on the planning, staffing, organization, and funding of Head Start in Mississippi; materials on problems encountered by the program; materials on the program's impact on students and communities; materials on opposition to the program encountered from individuals, communities, and organizations; and evaluations of individual centers, programs, and teachers. The papers also include items from later in Ms. Greenberg's career, items on other programs, and materials for a book authored by Greenberg.

- Date range of collection:
- 8 linear feet, 9 linear inches
- Available for research.
- 1 series
