MEMORANDUM FOR MR. McGEORGE BUNDY  
THE WHITE HOUSE

Subject: Request from Senator <sup>Daniel</sup> Brewster for  
a Message of Greetings from the  
President to the Maryland Committee  
for New Americans

In response to Mr. Holborn's route slip of  
January 19, the Department recommends against the  
President's sending a message to the Maryland Committee  
for New Americans on the occasion of its 20th anniver-  
sary celebration on February 7. A request for greetings  
was made by Senator Brewster.

While the Maryland Committee for New Americans is  
undoubtedly a worthy organization, the Department of  
State believes compliance with its request would invite  
numerous requests from similar groups throughout the  
country.

A suggested reply for Mr. Valenti's signature is

Dear President Johnson,

I have heard rumors that you would like our Senator Brewster to resign his seat in the Senate to become the Sec. of Health & Welfare.

Please, leave Senator Brewster where he is, in the Senate. If he resigns, then Maryland would lose its only chance to free itself of Gov. James, as he wants to be senator. If he were to appoint himself senator, many loyal democrats would have to vote Republican.

THE WHITE HOUSE

in order to try to break the  
hold the ~~Tawes~~ machinery has  
on Maryland.

Our newest senator, Joe Tydings  
had to fight the Tawes machinery,  
but he won, which shows the  
hold is finally weakening.

We gave our support, moral  
and financial to Sen. Brewster  
(and Sen. Tydings) and we did  
not do so, for him to become  
the Sec of Health.

Maryland has two Democratic  
Senators, and lets leave it that  
way, please.

We don't want Gov Tawes as  
our senator, or anything else.

Please pick someone else.

Most respectfully,

George Hocker and Sen. Dan Brewster report to me that Sen. Joe Tydings has a campaign<sup>x</sup> underway to entice Sargent Shriver to run as the Democratic nominee for governor in next year's Maryland election.

While my immediate reaction is that no good can come to us from this, I don't think we either could or should attempt to take any action other than maybe keeping Shriver so busy on the Poverty and Peace Corps projects that he has little time to think about anything else.

Dear Senator:

Thank you for your letter concerning the invitation to the President to attend the joint Convention of the Virginia, West Virginia, Maryland and Delaware Press Associations being held on July 24th.

The President appreciated very much this cordial invitation but regrettably, his heavy summer schedule precluded his acceptance.

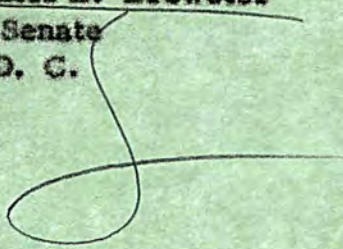

We thank you for your expression of interest in the matter, nevertheless, and regret the reply could not be a favorable one.

With warm regards,

Sincerely,

Jack Valenti

Dear Senator:

At the request of the President and Mrs. Johnson, we are preparing a guest list of Congressional Assistants for a reception to be held at the White House on May 27.

To facilitate this, we would appreciate having the names of your principal Assistants at your earliest convenience. We must adhere to a policy of limiting this to two assistants in each office. The invitations will not be transferable.

Your cooperation in forwarding these names to me will be most helpful in arranging for the invitations to be extended individually.

Claude Desautels of my staff is coordinating this activity.

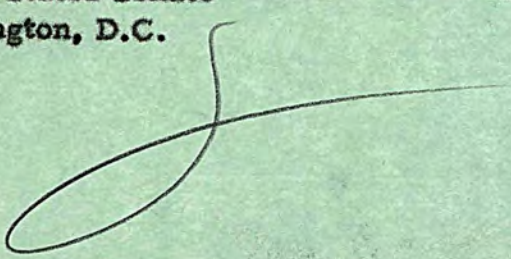

With best regards,

Sincerely,

LARRY

Dear Senator:

Thank you for your letter of the 5th enclosing the letter which you received from Dr. Daniel Z. Gibson, President of Washington College, Chestertown, Maryland.

The President is grateful for Dr. Gibson's continued interest in having him visit Washington College and accept an honorary degree, as well as his willingness to provide the occasion for this at any time convenient to him.

While the prospects do not look at all encouraging for this year, we will certainly keep the matter in mind and should it develop the President could do this, we will be in touch, of course.

Meanwhile, we hope you will express the President's deepest appreciation to Dr. Gibson.
