TWENTY WONDERFUL DAYS

Edward Naylor - *Lyrics*
Julian Stein - *Music*
The Brothers Four -
Collaborator

INTRODUCTION

✓ We want to voice our thanks to Princess Margaret
And to The Earl of Snowdon
For what they have done
For we are proud that they have had this pleasant stay
For they have made each day a brighter one.

Verse 1

X For from the moment you first arrived
A national pleasure is what we've derived.
You did so much that delighted us,
Why you even gave dignity to laryngitis.

CHORUS

X Twenty wonderful days, twenty wonderful days,
This time you are spending is too soon ending,
Those twenty wonderful days.

Verse 2

X In San Francisco you stayed awhile
And we lost our hearts to your charming smiles
Folks tried to meet you, you did discover,
When a student popped up from a manhole cover!

CHORUS

~~Verse 3~~

✓ We'll remember these days in Fall
When you came and you saw and you conquered all,
And when you're home across the sea
We'll still keep the wonderful memory of

✓ Twenty wonderful days, twenty wonderful days,
Days of pleasure, we'll always treasure
Those twenty wonderful days, those twenty wonderful days.
