Dear Dr. London:

Thank you for your letter in which you requested additional copies of the picture taken of the members of the President's Committee on Population and Family Planning with the President on July 16, 1968.

I am sorry to disappoint you but unfortunately our facilities are so limited that we are unable to furnish extra copies of photographs. We have no objection to your having a photographer of your choice photograph the picture you want. You will then have a negative from which to get as many prints as you desire.

With best wishes,

Sincerely,

Juanita D. Roberts
Personal Secretary
