

MESSAGES

(Me)

The category "Messages" is used for greetings and similar communications sent from the President, a White House staff member, or member of an executive agency. These were usually sent in answer to a request for a message. Messages relating to health are described below.

- Me 3-4 : Furnished to Hospitals, Clinics and Research Institutions
Two messages, correspondence, a draft and a cross reference; all relate to Veterans Administration hospitals. Almost all material in "Me 3-4" is subdivided by the initial letter of the name of the organization receiving the message and filed alphabetically.
- Me 3-4/Initial Furnished to Hospitals, Clinics and Research Institutions/
Initial Letter of the Organization
Correspondence, memoranda, referral sheets, draft messages, messages to hospitals, medical centers, research institutions, and other health care facilities. Most of the requests for messages that are classified "Executive" were answered by the President. Requests classified "General" were referred to the appropriate agency or White House staff member.
