SAFETY – ACCIDENT PREVENTION (SA)

For list of folder titles, see page 2.

Scope and content note:

This category, "Safety – Accident Prevention," was used for material pertaining to fire prevention; standards of industrial safety; hazardous occupations; safety codes; studies; services; search and rescue; demonstrations and technical assistance in research programs to determine the extent and cause of accidents, their prevention and control. Not included in this category are civil air accidents and safety (see CA 1 and CA 5); military air accidents (see ND 1); and safety and accident prevention of Federal civil service employees (PE 4).

- Date range: 1963-1969
- 1 linear foot, 11 linear inches
- Available for research (Open)
