REPORTS ON LEGISLATION

Reports on impending legislation were status reports on the President's legislative program. The reports came from agencies and departments affected by the proposed legislation. Reports were made weekly during the Congressional session to Lawrence O'Brien, Henry Wilson, Mike Manatos, or Barefoot Sanders who used them to brief the President prior to the weekly Congressional leadership breakfast.

REPORTS ON LEGISLATION

Box #

1	June, 1963 - 1/7/64
2	1/14/64 - 2/17/64
