PERSONAL PAPERS OF JOHN B. CONNALLY

For list of folder titles, see page 2.

Creator: Connally, John Bowden, 1917-1993

Biographical sketch:

John Bowden Connally, Jr. was born near Floresville, Texas and was an assistant to Congressman Lyndon B. Johnson before entering active duty in the U.S. Navy. After leaving the service, he practiced law and worked as a radio executive. He served as Secretary of the Navy under President John F. Kennedy, as Secretary of the Treasury under President Richard M. Nixon, and was the Governor of Texas from 1963 to 1969. He was wounded while a passenger in the car in which President Kennedy was assassinated. He ran as a Republican candidate for President in the 1980 election.

Scope and content note:

This collection consists of letters, memorandums, speeches, photographs, press releases, copies of legislation, transcripts, newspaper clippings, audio and video tapes, films, card files, microfilm, publications, reference material, and reports collected by John Connally. The papers cover Connally's education, professional activities, political activities, military service, communications, accomplishments, family, friends, and associates. Roughly half of the papers have been processed and are available for research. These are listed in the folder title list below. Most of the opened papers are related to Connally's service as Governor of Texas. These materials are divided into 67 sub-series based on how the files were originally organized and maintained.

- Date range of collection: 1938-1985
- 1,306 linear feet
- Partially available for research.

Digitization note: Some of these folder have been digitized and are available on DiscoverLBJ.org. See folder title list to identify scanned folders.
