Friday noon 1:30 -

My own Bird -

My postmaster tells me this will have to be at the air-port not later than 2:30 so it will of necessity be brief - I plan to wire you during the day but may be able to make my places somewhat clearer by letter -

Tonight I will drive to Kenedy & Floresville. At six tomorrow A.M. I'll leave for Austin to accompany Mr. Fox Chesnut et al to see Governor Allred! Will probably leave Austin by three P.M. and return to Corpus for Sunday - I plan to see Mr. Miller & make an appointment to talk business with him Monday or Tuesday in Houston the date set to be determined by your arrival in Houston -
