Washington, D. C.

Tuesday —

My dear;

All day Sunday I waited for Monday
and a letter from you - Disappointed
Monday I longed for Tuesday - longed for
a word from you - The last mail
has just been delivered - now I will
look forward to getting a word from
my love tomorrow -

Don't even have a picture to
gaze at when I'm dreaming and
planning - dreaming of you -
planning for you -

Only one letter from Mother
since my arrival - Her reference
to you - altho' unusual expression
for her - yet as most gratifying to her
first born - Destroy Mother's letter and
write if you want to - all my love - Lyndon
