# NATIONAL SECURITY FILE Files of Alfred Jenkins

## Scope and content note:

This series consists of the working files of Alfred Jenkins during his time as a Foreign Service Officer detailed to the National Security Council during President Lyndon B. Johnson's administration. The files reflect the subject matter and geographical areas for which Jenkins was responsible including China and the Far East.

This series includes memorandums, correspondence, cables, reports, and printed material concerning various Far East issues. Specific subjects covered in this material include correspondence with and visits from foreign dignitaries; foreign policy related to North and South Korea, Mongolia, Australia, Japan, Communist China, Taiwan, and North Vietnam; international agriculture, economics, and trade; and Public Law (PL) 480. In addition, there is a large amount of material concerning the Chinese Cultural Revolution and the Pueblo incident. The documents in this series consist mostly of carbon copies, but also include photocopies and originals.

## **Biographical note:**

Alfred Jenkins was a Foreign Service Officer detailed to the National Security Council from July 1966 until January 1969.
