STATE OF ST. CHRISTOPHER NEVIS ANGUILLA

GOVERNMENT HEADQUARTERS,
St. Kitts, W. I.

15th March, 1968.

Sir,

I had today the great personal pleasure to receive His Excellency Frederic R. Mann, Esquire, who presented his letter of credence as the Special Representative of your esteemed country, the United States of America, to this State of St. Christopher-Nevis-Anguilla.

It became clear to me at once, Mr. President, that Ambassador Mann has a full grasp of the interests of your Government in this region, as also a real awareness of the position of my Government in relation to the United States of America as a friendly country and a good neighbour. I have no doubt that the Ambassador possesses the ability and sincerity to advance the interests of your Government and mine and also to strengthen the bonds of friendship between our two countries that has been deeply rooted in history.

At this point of time when you and your country are embattled in your strong determination to discharge an international obligation to a beleaguered country, may I presume, Mr. President, to give you a word of encouragement which is uttered in the hope that Almighty God will bring you out triumphant and that the world would be a better and more hospitable place for your pains.

Please accept, Mr. President, every good wish for peace and prosperity for your Government and country from me on behalf of my Government and people, as also the assurance of my highest consideration.

I have the honour to be,
Mr. President,
Yours faithfully,
