MEMORANDUM

THE WHITE HOUSE

~~CONFIDENTIAL~~

MEMORANDUM FOR THE PRESIDENT

September 15, 1966

SUBJECT: Independence Day Message to Yemen - September 26th

State Department recommends you approve the following message to the Yemeni President on the anniversary of their Republic:

"Excellency:

I am pleased on behalf of the people of the United States of America to convey greetings and good wishes to the people of Yemen on the occasion of the fourth celebration of the establishment of the Yemen Arab Republic."

We have deliberately kept this to the ceremonial minimum in order not to antagonize King Faisal. We can't ignore the occasion but the situation in Yemen is in such flux that we would gain little by going overboard.

Two things contribute to the present uncertainty in Yemen. The Kuwaiti mediation is still going on with some chance of bringing the Saudis and Egyptians to an agreement on ending their respective interventions. Meanwhile, the Egyptians are suffering their worst case of Yemeni dissatisfaction with their involvement. Most of the responsible Yemeni leaders have just flown to Cairo to try to put some limits on Egyptian control.

I recommend you approve.

Walt Rostow
