White House
To President Lyndon B. Johnson

Dear Mr. President:

By my instructions, we have just communicated with Damascus. From Damascus we have been informed that military actions are in progress in the vicinity of the city of Kuneitra where Israeli troops continue their offensive operations.

I can assure you that we did everything possible on our part to stop the war against Syria and the UAR. If today all military actions are concluded, it will be necessary to proceed to the next step of evacuating the territory occupied by Israel and the return of troops behind the armistice line.

I consider that we should maintain contact with you on this matter.

Respectfully,

A. Kosygin
