Collection: Papers of John B. Mayo [NAID 355356848]

Series: Thesis Files

PAPERS OF JOHN B. MAYO

Scope and content note:

This series consists of correspondence, press releases, interview transcripts, newspaper clippings, publications, and manuscripts used by John B. Mayo while writing his master's thesis examining how the press covered the assassination of John F. Kennedy. The thesis was published in 1967 as "Bulletin from Dallas: the President is Dead: The Story of John F. Kennedy's Assassination as Covered by Radio and TV" by Exposition Press.

- Date range: 1963-1968
- 1 linear foot
- Not available for research (unprocessed)
