Notes concerning the Senator's Activity

Senator Johnson was discouraged about having to spend the night in Monterey. The pilot had not wanted to proceed to Acapulco because it was impossible to arrive before dark and the pilot did not want to fly into Acapulco on account of the mountains after dark since he was unfamiliar with the mountains there. Senator Johnson debated about going on to Acapulco and felt very strongly he should return to the ranch. At one time it seemed decided the party would not go on to Acapulco but by the next morning he had changed his mind again.
