Notes concerning the Senator's Activity  
Senator Johnson's meeting with Governor Ed Johnson was a very touching one. When the two men met they embraced very warmly and it was clear to see the affection and respect between them. Gov Johnson felt very badly about the outcome in Colorado for convention delegates and apologized to Senator Johnson about it. He said he hated all the way to Washington to have to come tell him about it. He said he didn't feel bad about not getting elected a delegate himself but felt badly "that we treated you that way. There isn't anything I wouldn't do for you." Gov Johnson said he had previously thought he could get elected to any office in Colorado.
