Dear Madam:

The following statement is enclosed for your convenience in order that you may make the proper arrangements for payment before your campaign funds are disbursed. We find that accounts are sometimes overlooked in the last hectic days of the campaign and that after the campaign is over, the organization is dissolved and the money has evaporated. This reminder is just to keep either of us from being caught short.

Assuring you we appreciate the business you were kind enough to send our way and with all best wishes for your success as a candidate, we are

Very truly yours,
