Return to Glynn

Oct. 11, 1948

MEMO for Mr. Johnson

1. Take that paper sack by your hat when you ~~leave~~ leave - it is Lavis and lighter fluid.
2. Glynn wants to see you re a financial matter I think and probably would rather talk when you are alone.
3. I have made two reservations to Houston leaving here Wednesday afternoon at 2:20 PM; if you are to be in New York Wednesday, wouldn't you rather catch it there instead of here?
4. Mrs. Porter asked you last night to eat dinner with them tonight - I don't know whether you accepted or rejected.
5. Liz Carpenter gave me the attached and asked me to ask you about it when you weren't busy. Said you knew what it was about but if you don't I will ~~try~~ tell you as much as I know. She wants to know if you think she should contact Millard Cope or Bob Jackson, or if you can contact them; or what do you think should be done next.
6. Shall I wire Rice Hotel or Lamar or some place in Houston for a reservation - I mean two reservations?
7. Zephyr is going out to your house to get the things Bird wants; bring them here; and Glynn will mail them to Texas. What suits do you want?

Dear Liz:

Since the Congressman has left for Washington, I am taking the liberty of sending your the attached letter he has received from Houston Harte.

Mr. Johnson has already seen it, but I am sure he will be glad to do whatever he can with Millard Cope and Bob Jackson. Maybe you will want to talk to him about it while he is in Washington.

Sincerely

Walter
