Mr. Wells	⊙ 1 - 5 ^{vs}
Tybr	2 - 4 ^(vs) 18 ^{du}

United States Senate

MEMORANDUM

Don -

1/2/52

I see no reason
for not approving this.
It is like one we cleared
earlier for the Dominican
Republic.

(I advised Walter on Jan 3, that
you had not had a chance
to see this.)

Let's keep in mind (because I)
want a real hard nut
to crack (with me)

Clearance memo

will present to you
for review on 1/25
