Dear Dorothy:

The attached letter from Mr. Lacovara is self-explanatory. As soon as you get to Washington I wish you would take the money, about which you know, and convert it into money orders and pay this bill. I am tired of fooling around with it. I think there will be enough left to pay for the money orders. What is left can be converted back into money and returned to its present place.

Best wishes.

Sincerely,

Walter Jenkins
